

NISHANTH M

JUNIOR DATA SCIENTIST AND KAGGLE EXPERT

CAREER OBJECTIVE

Highly Motivated, Self Learner, and Keep Updating in Emerging Technologies in data science with 1+ years of experience as a Junior data scientist. Passionate about building models that fix real-time problems.

WORK EXPERIENCE

Role: Junoir Data Scientist

MyGameSolutions

- Coimbatore, Tamil Nadu.

Achievements/Tasks

- **AI helping Chatbot** and deployed in Google **Cloud Function**.
- **Real-Time People count** using CCTV camera
 - Project to monitor the live count of the people.

SKILLS

1. Python.
2. Java.
3. Java Script.
4. Pandas
5. Matplotlib
6. Seaborn
7. Pytorch
8. MongoDB
9. Flask
10. Docker
11. Raspberry pi
12. Jetson nano

INTERESTS

- Artificial Intelligence.
- IoT.
- Robotics.
- Cloud.
- Full-Stack Development.

Address: 15/20 Near Muthu Kumar Industries
Anna Nagar, Palladam, Tiruppur -641664,
Tamil Nadu, India.

EDUCATION

B.E (Computer Science And Engineering)

KPR Institute of Engineering And Technology.

2018 - Present

8.5

HSC

Blue Bird Matric Higher Secondary School.

(04/2018)

76%

SSLC

Infant Jesus Matric Higher Secondary School.

(06/2016)

82%

PATENT

Monitoring Social Distancing To Prevent Pandemic Disease.

- Application No: 202041021952 A

Integrated Face recognition and temperature monitoring system.

- Application No: 202041047712 A

PROJECTS

Monitoring Social Distancing To Prevent Pandemic Disease

My Contribution:

- Product Designer and Team Lead.
- Developed Detection model.

Integrated Face recognition and temperature monitoring system

My Contribution:

- Developed a face recognition model.

Number Plate Detection

- Product designer
- creating a model to identify the Number

Intelligent Home Security. (progress)

- Fully automated security for home and intrusion alert system.

PERSONAL INFORMATION

Full Name: Nishanth M

Gender: Male

Age: 19

DOB: 11/04/2001

Hometown: Tiruppur

Nationality: Indian

LANGUAGES

Tamil

- Native or Bilingual Proficiency.

English

- Full Professional Proficiency.

HOBBIES

- Programming
- Reading
- Explorer
- Playing Game

ACHIVEMENTS

- **Discussion and Note Book Expert** in Kaggle.
- **Best Tomorrow's Engineer 2020**
(Social Primer project) - 15.9.20
- Top 10 contestants in **National level Ideathon**
(9.7.20/10.7.20)
- **International expo**
Finalist in the international expo conducted by IEEE.
